

CO2-98

“PREMIUM WHITE MINERAL OIL”

GENERAL INFORMATION:

CO2-98 is a 100% active crop oil concentrate. **CO2-98** will enhance the activity of post-emergent applied herbicides, fungicides and insecticides. This oil is for use on plants in foliage or the dormant stages. **CO2-98** contains only the highest quality especially refined phytonomic petroleum oils and emulsifiers. Avoid over-spraying or double spraying. Use only when plants are in healthy condition and when moisture conditions are sufficient. Plants weakened by disease, drought or high nitrogen applications may be injured by oil.

INGREDIENTS:

Phytonomic petroleum oil.....96%
Emulsifier.....4%

Exempt from tolerance under EPA 40 CFR 180.1001 (d).

DIRECTIONS FOR USE:

Amounts given are for 100 gallons of diluted spray.

Post-Emergent Herbicides—1 to 3 gallons

Post-Emergent Fungicides and Insecticides—1 to 3 gallons

Always add CO2-98 while the spray tank is under agitation.

Always follow pesticide manufacturer's recommendations.

CAUTION: CAUSES EYE IRRITATION

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use, storage or handling of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. The risks include, but are not limited to damage to plants, crops and animals to which the material is applied, failure to control pests, damage caused by drift to other plants or crops, and personal injury.

NET CONTENTS: 2.5 Gallon
